We use FaceBook as a really informal way to stay in touch with our wedding couples, both pre and post wedding, so that we can keep them updated on any recent Blog Posts, News, Award Wins and any other developments here at Christian Michael. Couples who book with us really like this as we quite often don't get to meet with them before their big day, or we go many months from booking to their wedding, so to keep in touch this way is really useful.

## Wedding Terms and Conditions:

### All services are subject to the following terms and conditions.

**PRICE:** 'Christian Michael' reserves the right to make changes to pricing without prior notice. Regardless of any price changes the client will pay the price current at time of booking. Once the deposit has been received the price is fixed and can not be changed.

**DEPOSIT:** A deposit of £400.00 is required to confirm the booking. Dates are reserved only when this has been paid to 'Christian Michael'. The deposit is only refundable within the first 14 days of booking after which, the deposit will not be refunded under any circumstances.

**BALANCE PAYMENT:** The remainder of the payment is due no later than 14 days prior to the date of the wedding ceremony. Payment for additional prints, albums and frames must be made at the time of ordering. Failure to pay the balance may result in no photographic coverage of your wedding being presented to you.

**FOOD:** As you will appreciate, we start our photography early in the morning and carry on throughout the day with little or no break. If your speeches are after your wedding breakfast or you have booked us for the First Dance package then we do require two meals to be provided. We don't expect three courses and are just happy with a main. If you are not happy to provide this, Christian Michael will have to leave your wedding premises to obtain food elsewhere and cannot guarantee to arrive back at any specific time.

**FEES:** The fees include all photography as stated in the booking confirmation details, consultations and other items if applicable, depending on the agreement with the client. All travel expenses are also included for Devon & Cornwall; travel outside of these Counties will attract further costs and overnight accommodation as agreed with the client. DVD/CD's and/or prints and/or albums will only be dispatched on receipt of full payment.

#### CREATIVE LICENCE:

The judgment of the photographer/s on photographic style and the number of photographs taken shall be deemed to be correct. The images taken by Christian Michael may be used for advertising, display, print, publication, competition entry or any other reason thought proper by 'Christian Michael' or the photographer who took the shots. It is the responsibility of the client to ensure that their guests are notified that their photograph may be taken, and used in publications, advertisements and other forms of print, or Internet display.

**EXCLUSIVITY:** Only the photographer/s booked through 'Christian Michael' shall be the sole (stills) photographer at the venues specified. However, family, friends and guests can take photographs throughout the day. 'Christian Michael' asks that the bride and groom give some time exclusively to them with no other guests/photographers/videographers present to ensure the highest quality images of yourselves.

If the client makes a cancellation the deposit paid will not be refunded. Should the wedding be postponed, then, subject to availabilities of the booked photographer, all monies will be applied to the new date.
